About the Jamaica Anti-Doping Commission (JADCO)

The Jamaica Anti-Doping in Sport Programme is the major commitment of the Government of Jamaica in its fight to eradicate the use of drugs in sport. The programme is governed by the Anti-Doping in Sport Act, 2008 and the Jamaica Anti-Doping Rules. The Act established four independent entities under the Jamaica Anti-Doping in Sport Programme: The Jamaica Anti-Doping Commission (JADCO), The Jamaica Anti-Doping Therapeutic Use Exemption Committee (JADCO TUEC), The Jamaica Anti-Doping Disciplinary Panel and The Jamaica Anti-Doping Appeals Tribunal.

As part of obligations as a Signatory to the World Anti-Doping Code, JADCO is expected to implement applicable Code provisions through anti-doping in sport rules, policies, regulations, and activities which will ensure that Jamaican sport is compliant with the Code. This provides a framework which encompasses a structured and sustained Information and Education Programme, In-Competition and Out-of-Competition testing of elite Jamaican athletes in the National Registered Testing Pool and Policy Development
