

JADCO Annual Statistics

For the year April 1, 2014 to March 31, 2015

About the Jamaica Anti-Doping Commission (JADCO)

The Jamaica Anti-Doping Commission (JADCO) was established by the Anti-Doping in Sport Act, 2008. The Act was passed by the Government of Jamaica on July 25, 2008 and established four independent bodies. These included the Jamaica Anti-Doping Commission (JADCO), the JADCO Therapeutic Use Exemption Committee (TUEC), which was appointed by the Commissioners (now the Board of Directors), the Jamaica Anti-Doping Disciplinary Panel and the Jamaica Anti-Doping Appeals Tribunal, which were appointed by the Minister of Sport.

The Anti-Doping in Sport Act, 2008 was repealed in 2014 and replaced by the Anti-Doping in Sport Act 2014. The main objects of the act are to:

- a) Protect the athlete's right to participate in doping-free sport and thus promote health, fairness and equality for athletes worldwide.
- b) Ensure harmonised, coordinated and effective sports anti-doping programmes at the national level and international level with regard to the detection, deterrence and prevention of doping.
- c) Make new provisions for the prevention and control of doping in sport.
- d) Establish the Commission as an independent body charged with the implementation of the Code and the International Standards in Jamaica.

Doping Control Test by Program

Test Type	In Competition	Out of Competition	Total
Jamaican Anti-Doping Program	163	269	432
